SUMMER SCHOOL

Celebrating 30 years

Bede's Summer School are proud to offer our new Easter Half Term Camp for pupils aged 11–19.

At Bede's, we aim to create immersive social and excursion programmes that are closely aligned our students' needs and interests.

We put the student experience and safety before all else and have an unrivalled sporting and excursion programme to ensure each and every student can get the most out of their time at the camp.

Our highly trained, residential staff are always on hand to ensure that students from all corners of the world are made to feel welcomed into the Bede's School community.

Dicker, home of Bede's Senior School, is based in a small village in the middle of the South Downs, surrounded by beautiful countryside.

Designed to reflect the feeling of life in a rural community, the spacious campus offers accommodation for up to 250 students and has five boarding houses that inspire a sense of community and belonging – ideal for both more reserved and confident students.
